

Sample One Page Grant Proposal

I. Project Overview

Project Title: Community Health Outreach Initiative

Funding Request: \$50,000

This project will provide health screenings and workshops in underserved areas to improve health outcomes.

II. Problem Statement

Underserved communities have limited healthcare access, leading to preventable health issues. This project aims to address that gap.

III. Goals and Objectives

Screen 2,000 individuals by December 15, 2050, and offer follow-up care.

IV. Budget Summary

Expense Category	Amount
Health Screening Kits	\$15,000
Educational Materials	\$10,000
Staffing & Volunteers	\$15,000
Administrative Costs	\$10,000
